Welcome to Teaching QuickBooks Online!

Computer Accounting with QuickBooks Online® is designed to streamline teaching QuickBooks Online (QBO). Using a hands-on approach, this text integrates understanding accounting with mastery of the financial app, QuickBooks Online. All material is presented in a systematic, step-by-step fashion that makes learning QBO easy. Each chapter builds on previous chapters as students progress from entering simple transactions to using more advanced features. One important advantage of this text is the innovative instructional design that streamlines student learning by increasing student awareness of the learning process.

Exciting features of this edition include:

- 4 Free QuickBooks Online Access Codes for student use with the text
- New Comprehensive Project
- Connect option for auto grading of student assignments and exams
- QuickBooks Educator website with ongoing QBO updates and their impact on the text
- Student website: www.My-QuickBooksOnline.com
- Expanded Chapter coverage, exploring the latest QBO features and functionality
- New Tags Coverage
- Updated Time Tracking coverage
- Updated Sales Tax coverage
- Updated Reports coverage
- Expanded Customers List coverage
- Expanded Vendors List coverage
- Updated Chapters and Exercises
- Enhanced formatting with bolded field names and field entries to highlight action steps
- Expanded QBO SatNav, providing expanded Satellite Navigation for QBO

If you have questions, suggestions, or would like to reach out, feel free to contact me at the QBO Educator website at www.My-QuickBooksOnline.com. The passcode for the QBO Educator website can be obtained from Instructor Connect.

Best wishes for your continued success teaching QuickBooks Online!

Your Wish Has Come True Again!

New Intuit QBO Educator Portal

QBO educators can now grant free QBO access to their students using the QBO Educator Portal. Educators can provide students with up to 4 QBO companies. Students no longer need to register on the Intuit website to gain free access to QBO.

The QBO Educator Portal:

- Provides an easy way for you to deliver QBO access codes directly to your students via their college email.
- Can provide up to 4 QBO access codes per student.
- Permits you as the instructor to set up your own QBO demo companies that you can use to demo to your students.

The QBO Educator portal also includes class management tools that permit the instructor to complete the following:

- add and remove students.
- batch delete old student files and classes.

HOW TO ACCESS THE QBO EDUCATOR PORTAL

Use the following instructions to access and use the QBO Educator Portal to provide your students with free QBO access. To use the Intuit QBO Educator Portal:

1. If you do not have a QBO Educator Portal sign-in, go to: <https://www.intuit.com/partners/education-program/products/quickbooks/educator-qbo-signup/> > then follow the steps in the email that you receive.
2. If you have already signed into the QBO Educator Portal, go to: https://accounts.intuit.com/index.html?redirect_url=https://education-portal.app.intuit.com/app/dashboard > use your QBO Educator sign in. Note if you have issues logging in, make sure you are using a Chrome browser. If you are still unable to log in, contact: Education@Intuit.com for assistance.
3. On the left navigation bar, select Classes > Add class. Then follow the onscreen instructions.
4. For more information about how to use the new QBO Educator Portal, watch the [How the Educator Portal Works](#) video.

XPM Mapping

What is the most effective way to learn QuickBooks Online?

Use a highly effective three-step XPM approach to streamline learning QuickBooks Online:

eXplore ➡ Practice ➡ Master

1. eXplore. Providing numerous screen shots and detailed instructions, chapters in *Computer Accounting with Quickbooks Online* are designed as tutorials for you to explore and learn QBO features.

2. Practice. Designed with fewer instructions, the end-of-chapter exercises provide opportunities for you to practice and test your understanding.

3. Master. Virtual company projects provide mastery opportunities for you to apply and integrate your QuickBooks Online skills.

XPM mapping for your text, listing eXplore, Practice, and Master activities, follows.
